

Idaho REALTORS® Emerging Technologies Committee

Meeting Minutes

June 23, 2026 (Virtual)

Recap of Previous Meeting

The chair reviewed a recap of the May 28th meeting, including subcommittee formation and scope.

October Board of Directors Deliverables

The group discussed expectations for each subcommittee to bring concrete deliverables to the October Board of Directors meeting. General direction was given regarding the kind of work product or recommendations each subcommittee should aim to produce.

Subcommittee Discussion

Each subcommittee briefly discussed potential focus areas and deliverables in line with their assigned scope: MLS & Listing Data, AI & Gray Data, Fraud & Cybersecurity, and Forms Delivery.

Next Steps

Subcommittee chairs were asked to meet with their groups in the coming weeks to finalize deliverables ahead of the October Board of Directors meeting.
